Before I formed thee in the belly I knew thee,...
Jeremiah 1:5

The story of Yasmin and her mom Lucinda (not her real name).

A pretty, middle-aged, single woman walked into the Access Women's Center in Madison who needed a pregnancy test and her test came back positive. One of our volunteers talked with Lucinda who said she wanted to do our Learn & Earn Bible study program. We gave her the names of Baptist churches in her area and encouraged her to visit one. We added Lucinda to our prayer list and as months went by, we spoke to her on the phone encouraging her as she worked on the Bible study. One day when we called her, the phone number was out of service. That is not unusual, but since she was expecting a baby, we were concerned for Lucinda and her baby.

We continued praying, asking the Lord to protect her and the child, to remind her we are here, and to allow us to know the outcome of her pregnancy. We mailed a card to Lucinda expressing our care for her and asking her to let us know how she was doing. With no response, we continued praying closed her file, and we left her in God's hands.

In July we received a wonderful surprise. A client walked in carrying a young baby. At first we did not recognize her, but when she said her name was Lucinda, we recognized her immediately as one of our "missing" moms and were overjoyed! We were able to hold that precious little life in our arms and thank the Lord God for allowing us to see and hold her little one. Yasmin was born on May 10, 2008.

Lucinda continues in the Learn & Earn program. She has also been instrumental in bringing in another client with whom we were able to share the Gospel. Often, we will not know how a client's visit will impact her for eternity "for we walk by faith and not by sight," but we can always be confident that God will accomplish His purpose. Your prayers and financial support do make a difference in many lives for eternity! Thank you!

Baptists For Life of Wisconsin has opened four centers in Wisconsin to reach out with love and compassion to women in need. We were able to do so because of the prayers and financial support from local churches and individuals. Similar stories like Lucinda's are repeated in all the centers. There were 87 professions of faith in the Lord Jesus Christ through the ministry of these four centers in 2007. BFLW is working with pastors and churches in Wisconsin to open another PCC in our state. BFLW will give \$3000 when this new center opens.

WE need your help. Would you invest with us to open another center in Wisconsin? Yearly membership is \$25 per individual or \$35 per couple. Several churches have BFLW in their home missions' budget.

WE ARE ON THE WINNING SIDE AS THE NUMBER OF ABORTIONS HAVE DECREASED FROM 4000 PER DAY IN 2000 TO 3300 PER DAY IN 2007, OR 27 PER DAY IN WISCONSIN TO 26 PER DAY. WE MUST KEEP ON REACHING OUT WITH THE LOVE AND COMPASSION OF THE GOSPEL TO WOMEN IN NEED.

"But when he saw the multitudes, he was moved with compassion upon them, because they fainted and were scattered abroad as a sheep having no shepherd.(Matthew 9:36).
